

BRIDGE HOUSE

PRE-PRIMARY · PREPARATORY · COLLEGE

Subject Choice: Grade 10 2022

Name and Surname: _____

Languages:

All students at Bridge House must offer English at the Home language level.

Mathematics:

Please indicate whether you will be taking Mathematics or Mathematical Literacy.

Note: If you take Physical Science, you **must** take Mathematics.

Mathematics		Mathematical Literacy	
-------------	--	-----------------------	--

Additional Languages:

Bridge House offers Afrikaans and isiXhosa at the First Additional Language. A student must select one of these languages unless they have an immigrant concession from the IEB. If you are not sure whether you qualify for an immigrant concession, please contact Ms S Jones skyjon@bridgehouse.org.za

Bridge House offers French and German at the Second Additional Language level.

Subject Choices:

To increase the diversity of subject choices, we have created 4 subject bands. Students must choose **one subject from each band** but Afrikaans or isiXhosa must be part of the selection.

Language Band	Band A	Band B	Band C
Afrikaans (FAL)	Afrikaans(FAL)	Geography	IT**
French (SAL)	isiXhosa (FAL)	Life Sciences	History
German (SAL)	Life Sciences	Art	Business Studies
CAT	Physical Science*	Drama	Physical Science*
	Business Studies	Accounting***	Geography
	Music	Economics	

Prerequisites:

Physical Science*: A student must take Maths and achieve over 60 % in both Maths & Natural Science in Grade 9

Information Technology:** A student must achieve over 60 % in Maths in Grade 9

Accounting*:** A student must achieve over 60 % in Maths in Grade 9

Computer Requirements:

If you select either IT (Information Technology), CAT (Computer Applications Technology) or the Arts, you must ensure that your device meets the specific requirements as stipulated by the relevant departments.

Advance Programme Subjects:

Please indicate whether you would like to be considered for either AP Mathematics (from Grade 10) or AP English (from Grade 11). These are additional subjects and designed to extend students in these subjects. They are recognised internationally as equivalent to A-level subjects.

AP Mathematics	
AP English	

While every effort will be made to accommodate students' subject choices, it may be impossible to offer a specific combination because of timetabling or staffing constraints.

Please sign below to confirm that you have made this selection.
