Yes I would like to play in the past vs present pupils' hockey match/s on Saturday 19 May (you will be notified of the exact details at a later stage) and I would like to stay for the get-together afterwards. This will take place on the verandah of the Theatre. There will be a cash bar available.

No I am too old and decrepit to play but I will come and support the past pupils' team and stay for the get-together afterwards.

Sorry I am in outer Mongolia or some other exciting place at the moment and will not be there on the day but I would like to be part of the Bridge House Past Pupils' Association (BHPPA).
