## Welcome and Introduction

Welcome to Waterfall House, where girls are housed in a family-style boarding house.

Pupils come together for relaxation in a communal area with a fireplace. The building also houses 4 resident staff members including the Head of Waterfall House.

The buildings are on campus with access to all the school facilities such as the IT centres, Learning Commons and art room as well as the playing fields, outdoor exercise equipment, swimming pool, tennis courts, astroturf and indoor sports facility.

Bridge House provides the ideal caring environment for boarders enabling them to experience the academic, cultural and sports programme to its fullest.

An organised programme for homework and recreation is supervised by academic staff. There are a number of resident academic staff members looking after the needs of our boarders. Mrs Jenny Jones is the Head of Waterfall House (resident with her family). She is assisted by other staff members who live on the premises.

Our matron, Mrs Elmarie Rogers, looks after the physical well-being of the boarders and provides another sympathetic ear when necessary. In the event of medical care being required, the matron will decide whether the attention of the School Nurse is required.

The matron is also responsible for co-ordinating transport to and from the airport for boarders who arrive by air.

Boarders' meals are catered for by Origin (Food Service Management).

## Leave Procedures

As long as boarders are on the School premises, they are under the supervision of the boarding staff. No Boarder may leave the campus without permission and may not leave the School premises unless they have followed the correct signing out procedures.

### *Special midweek leave & overnight midweek leave*

- Spending the night out from boarding during the week is discouraged, however, parents may request occasional overnight leave during the school week. This is for exceptional circumstances only and will be granted at the discretion of the Head of Waterfall.
- If the Head of Waterfall has specifically approved such a request members of the boarding house staff will not be involved in transporting boarders to and from these destinations.
- If the boarder wants to attend a non-school function then they need to have arranged their transport and somewhere to stay and have the full, informed consent of their parents expressed in a detailed email to the Head of Waterfall. We need to know that parents know where their child will be and with whom they will be travelling. Pupils may not sign each other out.

### *Weekend leave*

All Boarders are full time. **Boarders may go out for weekends (leaving Friday afternoon and returning either on Sunday evening or Monday morning), not portions of weekends.**

Apart from the Compulsory out-weekend, there are some weekends when outings are arranged for the boarders. These are usually day trips and all boarders who are staying in over these weekends are expected to participate in these outings. Prior notice of these weekends is given timeously so that boarders who do not want to take part in the activity can make arrangements to spend the weekend with friends.

To apply for weekend leave, the following requirements must be met:

Procedure when going to own homes	Procedure when going to a host family
<p>All weekend plans must be communicated via email to the relevant Head of Boarding/Matron on the Wednesday prior to each weekend.</p> <p>It is presumed that at weekends, as a rule, boarders are going to their own homes and being signed out by a parent.</p>	<p><b>The School does not permit leave with young hosts. Parental supervision and a family environment are expected for all weekend leave.</b></p> <p>If the boarder is being hosted—the parent/s and the host must give written permission by the Wednesday evening preceding the weekend in question stating by whom your child will be signed out and where they will be going.</p> <p>It is the responsibility of the parents and/or caregivers to decide the suitability of a host to supervise and care for your child(ren) and to communicate with the host what their responsibilities are while they are in the hosts care.</p> <p>It is important that the people who assume the role of host for a boarder are aware of the responsibilities while the boarder is in their care. A signed host agreement needs to be returned to the boarding house to acknowledge these responsibilities. It is expected that there will be parental supervision throughout the time the boarder is in the hosts care.</p> <p>Once a person signs a boarder out, they are legally responsible for them for the weekend and may not pass them off to a third party.</p>

- All boarders must be signed in and out by their parents or persons responsible for collecting them and bringing them back. (The staff member/matron may ask the person fetching your child to produce his/her ID as a proof of their identity.)
- Should boarders have sport or a school function on Saturday morning, they may stay in Boarding until this is completed.
- Please note: The signing out file is, in effect, a legal document transferring responsibility for the child from the school during the week to a parent or third party over the weekend and is designed to protect your child.
- Returning after the weekend:
- All boarders going out for the weekend must leave by 16h00 on Friday (unless by prior arrangement) and return between 16h30 and 18h00 on Sunday.
- Signing in and signing out must be countersigned by a staff member.
- Boarders who take the option to return on Monday, need to be dropped off at the boarding house on Monday morning with enough time to prepare themselves for their day at school. Hosts/Parents are requested to sign them back into boarding.
- Should weekend plans change during the weekend, it is essential to inform the relevant Head of Boarding.
