Day Scholar Lunches Agreement 2026

Kindly complete this form if you wish to enrol your child for day scholar lunches at Bridge House School ("the School").

Please do not submit a new form if your child is already enrolled for day scholar lunches.

This Agreement takes effect on the date it is signed and remains in force indefinitely, unless terminated in writing or upon the student's leaving the School. One full calendar month's written notice is required to terminate this Agreement.

Annual fee increases, effective from January each year, will be published during the fourth term of the preceding year.

The service provider may increase fees during the year in consultation with the School. The School will provide one full term's notice of any mid-year fee increase.

The School will invoice parents on a termly basis. Full payment is due on the first day of each term. The School reserves the right to suspend or terminate the service should the School fee account be in arrears.

No refunds will be granted for illness or for any day on which a student does not make use of the service.

Where possible, packed lunches will be provided for outings, tours, or camps.

Menus are updated seasonally, and the service provider will make every reasonable effort to serve the advertised meal each day. A six-week rotational menu cycle will be available on the School website prior to the start of each term.

Parents are required to notify the School in writing of any allergies or dietary requirements affecting their child.

A separate application form must be completed for each child.

Grade 12 students: Term 4 lunch fees will be charged pro rata, as lunch is not provided during final examinations.
