Although the Board of Directors will always endeavour not to increase tuition and boarding fees during a school year, it reserves the right to do so if circumstances require it. A reasonable increase in fees can be expected each year to provide for inflation and other costs beyond our control.

One term's written notice is required to be given to the Head and to the administration office when withdrawing a student from the school and from the boarding houses to avoid being liable for a full term's notice fee.

Both parties who have signed the Acceptance of Place form remain liable for the payment of all outstanding accounts unless other written agreements are lodged with the administration office.
